Friday 20th November 2020

Dear parent or carer,

I hope my message finds you safe and well.

We have today been informed that three members of staff have unfortunately tested positive for COVID-19. The affected colleagues are now self-isolating for a period of 10 days, and I am sure you will join me in wishing them a swift recovery.

In line with Public Health England guidance, we are working closely with the families of the relevant children who must self-isolate as a precaution. PHE are otherwise satisfied that as robust safety measures are in place at the academy, we can remain open to all other pupils and staff.

I would like to take this opportunity to reassure you that we continue to work closely with our local Public Health team, who have made clear that our safety measures are proving vital in helping to prevent the spread of infection.

As an E-ACT academy, we have implemented robust COVID safety measures, including regular and focussed cleaning of the academy, good ventilation, social distancing and ensuring good hand and respiratory hygiene, all of which have recently received positive feedback from the government's Health and Safety Executive.

Perhaps most importantly, we know from Public Health England that pupils and staff are mainly coming into contact with the virus in their lives outside our schools and academies.

Parents and carers are reminded that if you or your child show any symptoms of the virus, or if you or your child have been asked to self-isolate, you must stay at home and inform the academy. This is incredibly important in order to reduce the chances of COVID-19 further spreading within our community.

Our priority remains the health, wellbeing and education of your child, and we continue to take the strongest precautionary measures here at the academy. In the meantime, I would like to thank you for your support, and ask that you please get in touch should you have any questions or concerns.

Yours sincerely,

Miss S Johnson
Head teacher
