Dear Parents/Carers,

This week out pupils have been completing their Pixl assessments across school in English and Mathematics. Also, our year one pupils have completed a shout assessment too. I look forward to seeing how well they have done.

Reading remains high priority for us at Mansfield Green. The children are bringing home reading books linked to our reading scheme and books of interest too. The children will be assessed over the next couple of weeks to ensure they are on the correct reading book band. It's super to see the progress our pupils have made so far.

I want to alert you to explore our website to see the very latest subject developments we have made. I'm pleased to say that we have enhanced our curriculum offer for our pupils. Mrs Kasu our Assistant Headteacher and Mathematics leader and myself have now completed the renewed high-level plans and support for our pupils. We will share our renewed calculations policy shortly. Take a look at the overviews. We will run some parent workshops for maths later this term.

Miss Dolphin our Assistant Headteacher and English leader and I have looked at our reading, writing and grammar offer recently. See website for our updated plans. You will see that we have extended the range of books our pupils read in class across the academy from Nursery to Year 6.

Mrs Smith our Deputy Headteacher has been working with wider curriculum leads in school to further develop our history and science curriculum. Our science scheme is very interactive and children and staff are enjoying teaching this sequence of learning. See website for our overviews.

We are looking at curriculum enrichment with teacher this week and will be sharing next week the overviews of planned visitors and trips to link to our curriculum.

Thank you to parents for attending the Ambassador session this week. We welcome you to apply and join us helping to support events next term. I'm very proud to be Executive Headteacher at Mansfield Green and I look forward to our year ahead.

Safeguarding

Safeguarding is everybody's responsibility

World Mental Health Day

We had a successful parent workshop this week. Parents joined us for a coffee morning and joined in with various activities which included a run and taking part in mindfulness activities. Mental Health can affect each and every one of us at any given time.

Take time to understand your own mental health and triggers.

We all have our own strategies for managing our mental health and it's really important that we find time for ourselves.

We are a Silver UNICEF Rights Respecting School
Children's rights are learned, understood and lived in this school.

The Convention has 54 articles in total. Articles 43–54 are about how adults and governments must work together to make sure all children can enjoy all their rights, including:

ARTICLE 5 (parental guidance and a child's evolving capacities) Governments must respect the rights and responsibilities of parents and carers to provide guidance and direction to their child as they grow up, so that they fully enjoy their rights. This must be done in a way that recognises the child's increasing capacity to make their own choices.
