

Dear Parents/Carers,

Thank you for attending our PSHE parent/carer workshop this afternoon. It was lovely to hear how many parents/carers attended the event and had the opportunity to share our changes to the PSHE curriculum.

Please do check out our school website for the updated PSHE curriculum.

This week are Year 5 children and Reception children enjoyed the special visit from the Space Dome. This visit was linked to our science curriculum and provided a great enrichment opportunity.

This week I attended the BEP conference at the National conference centre in Birmingham. It was a brilliant opportunity to work collaboratively with headteachers across the city.

Thank you for supporting Children in Need today. We have raised **£206.40** for charity.

Please can you help support us in improving our attendance, every mark count. We want the children to experience our full, exciting curriculum. Children are doing really well on the 34 day challenge. I can't wait to see who our winner is.

We want to increase our numbers in our current nursery and offer an afternoon nursery session. Look out the details of our afternoon stay and play sessions. There will be an opportunity to visit the nursery and express your interest joining. Looking forward to these events.

Have a wonderful weekend.

Mrs M Lathbury-Cox  
Executive Headteacher

### **Attendance challenge**

If you have 34 days 100% attendance, your names will be put into a hat and the winner drawn will receive a £20 Amazon voucher!

The challenge will start on Tuesday 7<sup>th</sup> November 2023!

## Children in Need

A big thank you to your all, we have raised £206.40 in aid of Children in Need!

## Safeguarding

Safeguarding is everybody's responsibility

Parking on school keep-clear zig-zag is dangerous and illegal.

They are there to protect the safety of your children. Vehicles that park on school keep-clear zigzags can obstruct the vision of children, making it dangerous when they are crossing the road.

### **What are the yellow zig-zag lines on the roads outside schools?**

Yellow zig-zag lines can be found outside schools, as well as hospitals, police stations and fire stations.

They always signify a strict 'no-stopping' zone - at schools, they are there to prevent vehicles from obscuring visibility of young children who are leaving school or need to cross the road.

The Highway Code states: "You MUST NOT wait or park, or stop to set down and pick up passengers, on school entrance markings when upright signs indicate a prohibition of stopping."

This means you can not stop there at all – even if you are just letting your children jump out the car quickly.

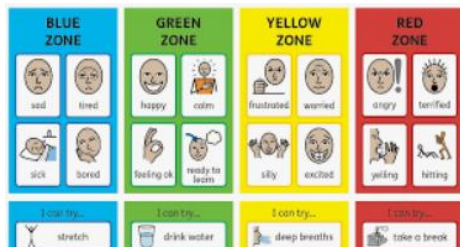

*The Convention has 54 articles in total. Articles 43–54 are about how adults and governments must work together to make sure all children can enjoy all their rights, including:*

**ARTICLE 11** (abduction and non-return of children) Governments must do everything they can to stop children being taken out of their own country illegally by their parents or other relatives, or being prevented from returning home.

### Parent workshop

Zones of Regulation - Parent workshop 23<sup>rd</sup> November 9:30

### Breakfast club

Breakfast club has been very popular, but we are now oversubscribed and we want to reserve this service for working parents or those in further education. After half term, numbers will be limited to 40 pupils and you will need to book in on parent pay for the week. We no longer receive external funding for breakfast club, therefore there will be a cost of £1 per child per day. This is still inexpensive for parents/carers, but will go towards the food costs and staffing.

Thank you for your ongoing support.

### Sports club

Monday - Year 3 and Year 4 – Football Club

Tuesday - Year 6 – Football Club

Wednesday - Year 1 and Year 2 – Multi Skills Club

Thursday - Year 5 – Dodgeball Club

### Class assemblies Autumn 2

3SA - 22nd Nov - 9am

4MO - 6th Dec - 9am

### Reminder

- Key stage two PSHE workshop 1 December - 2.45pm
- Please ensure children come to school wearing a coat and appropriate footwear during this wet and cold weather.
- Nursery places are available, please speak to a member of staff in the school office.

### WEEKLY CLASS ATTENDANCE

RSP – 95.1%

RNP – 95.2%

1AK – 85.6%
