

Dear Parents/Carers,

Our SLT, have been conducting pupil progress meetings with all of our teachers. It is wonderful to see the fabulous progress of all of our pupils across the academy. A huge well done.

Our year one children have made fantastic progress in phonics last term. The year six children are eagerly awaiting to sit their mock SATs paper next week. I can't wait to see how they get on. I know that they have been working really hard and I'm sure they will be thrilled to see how well they are doing when they get their papers marked.

Reception children have enjoyed their computing workshops this week learning how to use purple mash at home. I was really impressed with how engaged they were in the activities.

Thank you for supporting us in improving our attendance. It has been a great start back this term and our attendance is definitely improving. Keep up the great work. Always make sure that the children attend school each day and arrive promptly. I hope you have enjoyed receiving letters, home to celebrate pupils, great attendance.

Please consider carefully before booking any holidays in school time. I wanted to remind you of our policy that states clearly the school has a strict absence in term time policy: unless the circumstances are extreme, pupils will not be granted permission to go on holiday.

Have a wonderful weekend.

### We are a Silver UNICEF Rights Respecting School

Children's rights are learned, understood and lived in this school.

*The Convention has 54 articles in total. Articles 43–54 are about how adults and governments must work together to make sure all children can enjoy all their rights, including:*

**ARTICLE 18** (parental responsibilities and state assistance) Both parents share responsibility for bringing up their child and should always consider what is best for the child. Governments must support parents by creating support services for children and giving parents the help they need to raise their children.
