Friday 10th May 2024

Dear Parents/Carers,

Well done to all our KS1 pupils that have been doing their SATs at the moment. I know that your teachers are really proud of you all. Keep up the great work.

I want to wish our year six pupils all the very best for next week when they complete their SATs exams. Everyone has worked really hard and the children are now confident and well prepared. Thank you for supporting our early morning booster sessions this year. Good luck children.

Please see below upcoming events happening in school over the next few weeks.

Have a wonderful weekend.

Safeguarding

Safeguarding is everyone's responsibility

With the weather being very warm over the past couple of days we are encouraging parents/carers to send children to school with bottles etc so that children can have access to water throughout the day. Please encourage your child to drink water in order to keep hydrated. Loose school uniform can be worn along with sunhats to keep children cool within the classroom and at breaktimes.

Familiarise yourself with the signs of heat-related illnesses, including heat exhaustion and heatstroke. Symptoms may include fatigue, dizziness, headache, rapid heartbeat, flushed skin, nausea, and confusion. If your child displays any of these signs, immediately move them to a cool area, offer fluids, and seek medical assistance if necessary.

Have a great weekend and enjoy the weather.

PE

What is Physical Literacy?

“Physical Literacy is our relationship with movements and physical activity throughout our life.”

It reflects our connection and commitment to movement and physical activity, influenced by various factors such as our thoughts, feelings, engagement, and experiences.

What is The School Games Mark?

The School Games Mark is a government-led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress.

The Games Mark Mission is:

Putting physical activity and competitive sport at the heart of schools and providing more young people with the opportunity to enjoy competing and achieve their personal best.

The Games Mark Vision is:

The School Games will continue to make a clear and meaningful difference to the lives of even more children and young people.

We are a Silver UNICEF Rights Respecting School

Children’s rights are learned, understood and lived in this school.

The Convention has 54 articles in total. Articles 43–54 are about how adults and governments must work together to make sure all children can enjoy all their rights, including:

ARTICLE 30 (children from minority or indigenous groups) Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.
