Dear Parents/Carers,

As we reach the end of this term, I'd like to take a moment to reflect on some of the wonderful events and achievements we've shared.

Firstly, I want to extend my heartfelt thanks to all the parents who attended the phonics workshop yesterday. It was fantastic to see so many of you engaged and eager to support your children's learning journey. Your involvement is crucial in reinforcing the skills our young learners are developing in school.

This morning, we had our SEND coffee morning with Miss O'Brien. It was a valuable opportunity for parents to discuss special educational needs and disabilities, share experiences, and gain insights on supporting our children. Thank you to everyone who participated and contributed to the enriching conversations.

Today's non-uniform day was a huge success, and I am grateful for your support. The funds raised will go towards enhancing our school facilities and providing more resources for our students. Your contributions make a significant difference, and we appreciate your generosity.

On Wednesday and Thursday, I conducted teacher interviews and am pleased to announce several new appointments. We have selected enthusiastic and talented teachers who will be joining us in September. I am confident they will bring fresh ideas and energy to our school community, further enriching our students' educational experiences. More details to follow shortly.

As we conclude this half term, I want to thank you all for your unwavering support. Your involvement in school activities, workshops, and events helps create a vibrant and supportive environment for our children.

I wish you all a restful and enjoyable half-term break. Take this time to relax and recharge, and we look forward to welcoming everyone back refreshed and ready for the exciting term ahead.

Safeguarding

Safeguarding is everyone's responsibility

Birmingham's housing crisis

Temporary accommodation is somewhere to stay while you find a long-term home. Temporary accommodation might be a hotel, flat, house, bedsit or a room in a shared house. With more and more families facing eviction and being placed into temporary accommodation which has caused financial issues, we want to remind you that we are always here to support.

Please come and see Miss Patterson who is able to help access funding, recommend services and put in referrals to providers.

It is important to highlight that as much as being placed into temporary accommodation has a huge effect upon an adult's routine, mental health etc it also has a huge effect upon children. We are able to provide suitable intervention in order to support your child/children.

[The Waiting Room](#) provides links to a variety of housing and homelessness support services.

They are approved by Birmingham Public Health and the NHS for Birmingham and Solihull.

Their services can be used by people of all ages across Birmingham.
